ABOUT US

Welcome. Homestead On The Roof – our cozy, secret rooftop – is tucked away above Roots Handmade Pizza in the heart of West Town. The magic of Homestead is its 85-seat outdoor rooftop patio with full view of the L-shaped, 1,000 square foot rooftop garden overflowing with beautiful flowers, two massive vertical hanging gardens, a decorative outdoor fireplace, and a brand new water feature.

Homestead was named a “Top 100 Fit for Foodies Restaurants in America” and one of the “10 Best New American Restaurants In Chicago” by OpenTable, and has been named among the best rooftop/outdoor restaurants in Chicago by multiple media outlets. Join us every summer for an exclusive new pop-up menu, available for a limited time. Our venue is a true Chicago hidden gem that will charm guests and leave a lasting impression.
